THURSDAY ART PLAY: COLLABORATIVE PORTRAITS

THE ARTIST VHILS USES OLD ADVERTISEMENTS TO CREATE UNIQUE PAPER PORTRAITS. WE WANT YOU TO DO THE SAME!

Look through magazines for photos of faces. Tear out the image you like and cut the face in half. Glue half of one face onto a blank piece of paper. Complete the face with markers, crayons or paint + add fun collage scraps from around the house. Make as many as you want and try using lots of different images.
